

Jayashree Industrial Accessories

Customisation and Manufacturing

About Us:

Jayashree Industrial Accessories was established in 1975 as a proprietorship concern. In 2015 the company became a partnership entity and re-established itself with more product offerings and with a manufacturing facility in Punjab.

From the onset Jayashree Industrial Accessories has focused on quality. Our esteemed customers include the likes of BHEL, BEML, LMW (All units). We have have been felicitated for product innovation and for timely supplies. Jayashree Industrial Accessories has also been felicitated by Receivables Exchange of India Limited (RIL) for rising superstar company.

Jayashree Industrial Accessories manufactures and stocks all types of fasteners from Copper, HighTensile, Stainless Steel, Mild Steel. We maintain inventory of over 1000MT in our multiple warehouses spread across Bangalore and our manufacturing unit.. We also have a 5 person independent audit team that regularly audits our vendors across India.

Jayashree Industrial Accessories is committed to quality and more so the customer.
